FRIDAY NIGHT ON THE BOARDWALK

Treat yourself and your family to a night out on the boards! Taking our cue from the Atlantic coastal village that is Disney's BoardWalk Resort, this festive evening will feature wine pairings along with a scrumptious buffet. Special seaside games for children of all ages will be featured! After dinner, walk out and enjoy boardwalk shopping and nightlife.

PRESIDENT'S NIGHT AT EPCOT®

Join FCACC colleagues and families for a private dinner within the EPCOT® theme park. Experience the art, architecture and traditions of China, including an Asian inspired menu, during the President's Dinner in the China Pavilion. We'll walk to our own fireworks viewing area for dessert under the stars and the show. Sign up early—this event sold out early last year! (additional fees apply)

PRE-MEETING BILLING & CODING SEMINAR FOR CARDIOLOGY

Exclusively for FCACC members and their staff is our significantly discounted half day cardiology-focused reimbursement seminar. Physicians and staff will receive expert guidance on policy changes pertaining directly to cardiology. Fees include materials and lunch—see registration form for additional fee required. Attendees are encouraged to bring on-going issues and difficult questions for resolution.

WHY YOU SHOULD ATTEND

The FCACC Annual Meeting *increases your clinical competence, enhances your business acumen, and develops your political proficiency.*

Increasing clinical knowledge is just one component of practicing cardiology – ever devote time to learn about the:

Impact of changes in Medicare fees on your long-term viability as a business?

Decisions of private insurers that affect your patients and your pocket book?

Slight changes to the laws of Florida that could cost you and your staff time away from patient care?

Lawmakers who think taking from physicians is the answer to our health care crisis?

And your family is invited to all our social events...your afternoons are free to take care of the other side of life – friends, family and the activities that are uniquely found at the Walt Disney World® Resort.
